You made a purchase without being registered.

With the information in this email, you can access the purchase display, exchange, and refund functionality through [this link](#).

If you want to enjoy all the services available to registered customers and reuse this purchase for your next one, complete the registration [Click here](#).

If you need to resend this message, [Click here](#) and use the following recovery code: 1815683583

In Milan Central Station, Rome Termini, Firenze S.M.N. and Napoli Centrale you can lead to the tracks of departing trains only presenting the ticket to the entrance gate. We invite you to show the barcode square to facilitate and speed up the operations control.

Caution:

The train doors close 1 minute before departure

We would like to remind you that on selected days between 3 April and 26 July 2026, all visitors to Venice must pay an access fee to the Municipality of Venice. To find out the dates when the obligation applies, or for information on exemptions, and fines, click [here](#).

To view the Barcode with travel details, check-in or manage your ticket
