In Milan Central Station, Rome Termini, Firenze S.M.N. and Napoli Centrale you can lead to the tracks of departing trains only presenting the ticket to the entrance gate. We invite you to show the barcode square to facilitate and speed up the operations control.

Caution:

The train doors close 1 minute before departure

To view the Barcode with travel details, check-in or manage your ticket

CHECK-IN & BARCODE

MANAGE TICKET

Add the digital ticket to your wallet

If you have chosen the ticketless option with email payment receipt, the personnel will only check for your presence on board. We invite you to print this email to communicate the pnr (booking code) to the train staff when asked and for any eventual bonus request.

For assistance contact our call centre, at +39.06.5210550 ([toll number](#)).
